

Comparative Industry Performance Diagnostic

Congratulations on taking the first step to understanding and improving your workers compensation performance.

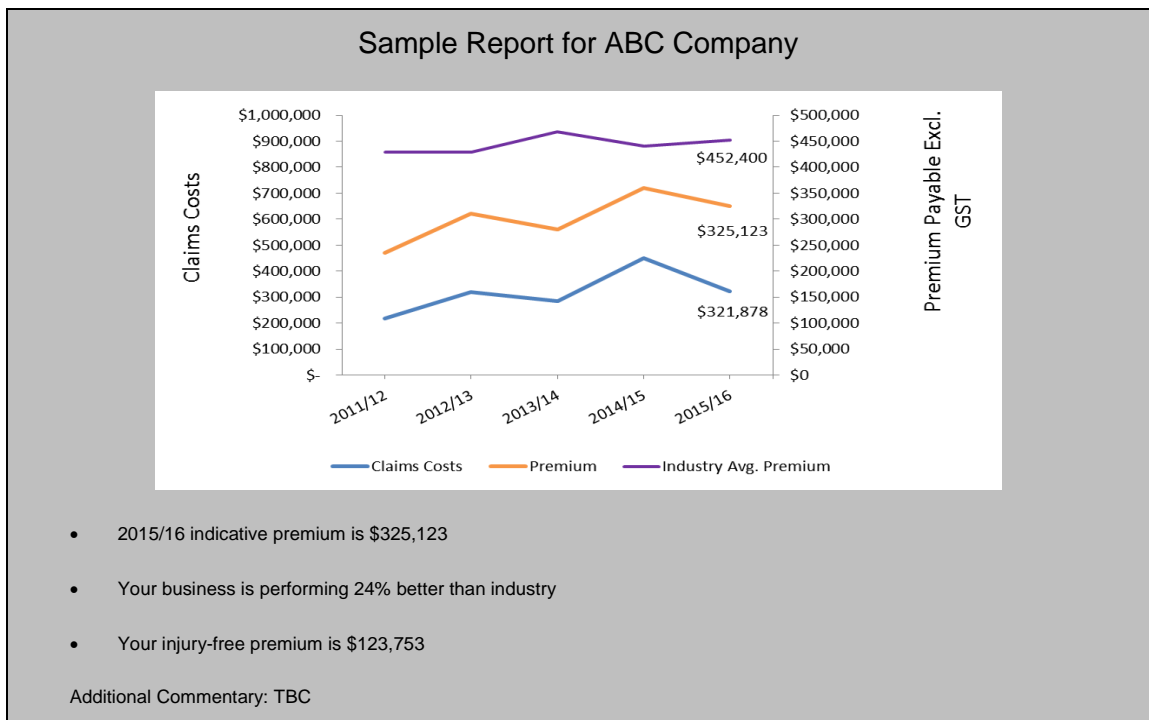

To obtain your free Comparative Industry Performance Diagnostic simply follow these steps:

1. **Print this form (2 pages)**
2. **Complete the Employer Details section and sign the Employer's Authorisation section. N.B. This must be completed by someone who is authorised to access your workers compensation policy details**
3. **Scan both pages and email to mark.stipic@preventia.com.au**

preVentia will:

- contact your workers compensation agent to obtain the relevant data. N.B. This is general policy data and does not contain names or details of any employee
- prepare an easy to understand graphical representation of your past and present performance along with comparative industry performance
- calculate an early indication of your expected 2015/16 workcover premium

preVentia will provide you with a PDF copy of this report along with general commentary on how to interpret the information and what it means for your business.

Please do not hesitate to call me if you'd like to discuss.

Kind regards,

Mark Stipic
